During the months of February and March 2018, the Department of Behavioral Health and Developmental Services' (DBHDS) Division of Developmental Services hosted a three-part webinar series to help people with a developmental disabilities and their family members learn more about planning for independent housing and the resources available to help people in the Settlement Agreement population access their own home in the community.

Each webinar in the series provides detailed information related to the following housing topics:

- Webinar #1: Preparing to Move into Independent Housing
- Webinar #2: Rental Assistance & Housing Resources
- Webinar #3: Reasonable Accommodation & Modification Requests

### ***Webinar Playback Instructions***

To view each webinar at your convenience, simply click the URL located below the webinar's title to the left.

A current version of Adobe Flash Player may need to be installed on your device in order to play the video.

Adobe Connect sometimes does not interface well with tablets and iPads. If this happens, you may want to try using a desktop or laptop computer.

If you have questions, contact your Regional Housing Specialist. See <http://www.dbhds.virginia.gov/developmental-services/housing/housing-team> for contact information.

***Please Note: You will need access to the internet in order to view the recorded video.***
